## **Greetings From Greater Daytona Unit 84 Auxiliary**

**Greater Daytona Unit 84 Auxiliary participated in a show of support for the Daytona Beach Purple Heart Ceremony, August 5th at 9am on the steps of City Hall Daytona Beach. The master of ceremony for this most worthy event was our own Rolf Matar of Chapter 84 who is also a recipient of the Purple Heart. Tents and tables were provided for the various vendors/participants. Our Unit passed out information regarding the Auxiliary mission statements as well as applications for anyone that maybe interested in joining Unit 84 in serving our Veterans and their families. Many thanks to Patricia Conaway, who joined me at this event in representation of our Unit.**

**At the request of the Daytona Beach City Commissioner Stacy Cantu, the Auxiliary was joined at the event by our Veterans Service Officers, Clifford Doubledee an Rose Washington. Upon completion at th ceremony formalities, there was a meet and greet which created a line of veterans requesting additional information, regarding services as well as our Chapter Location., it was a wonderful event and provided exposure in the county of available services.**

**The Auxiliary school of instruction was performed by State Auxiliary Officers Rose McGinnis, Diane Franz, Delores Roussey, and Terry Conklin on September 23rd 2022. In addition, Unit # 84 welcomed the attendance of State Chapter Commander AJ Bacon as well as other representatives, who ca to show support of our Unit. Sr. Vice Commander Harold Holloway, provided the welcome to the attendees, on behalf of Chapter 84.**

**It was a wonderful event with much needed clarification and information provided and shared. At the end of the event the State Chapter Commander Bacon, provided us all with a heartfelt feeling of support and camaraderie. With much sadness, we know that it was the last time that we would be together, due to Commander Bacon's passing. Our unit is praying for Commanders wife Ivy, and the entire Bacon family during this time.**

**In closing, Commander Bacon will be a light in reminding us how to be kind, mindful of the respect and needs of others, thoughtful of those in our presence and in remembrance of our mission statement in serving our Veterans.**

**Rest in Peace Commander Bacon.**

**Kind Regards,  
Cheryl Doubletree, Commander
